

Scout Nite Every Nite

Scout Nite is for Cub Scouts of all ages and ranks to test their skills with other Cub Scouts and trade secrets. Your pack is not attending that is no problem, individual Scouts can attend. Bring an adult partner and you can attend. Make sure you share with them the secrets of Scout Nite and see what they have to offer.

When you attend make sure that you come prepared. Make sure to bring with you a water bottle to be filled with water for nourishment, sunscreen and bug spray. T-shirt, patch and a totally awesome Scout Nite adventure will be provided. Appropriate Pack/Adult Leadership is required to ensure Scouts have a safe and excellent experience!
