Around 300 Arrowmen from the five lodges of Section C1-B are coming together for a weekend filled with fun, training, activities, special events, patch trading, and fellowship. Otyokwa Lodge is hosting Section Conclave this year at Camp Phillips near Rice Lake, WI on September 13-15.

Section Conclave is an awesome opportunity to try new experiences, learn new things, and most importantly, have fun! Planned activities include shooting sports, COPE, capture the flag, ultimate frisbee, branding, yard games, and a dunk tank. Saturday evening activities include a patch auction, election of section officers, and the closing show. The Hodag will also be on Saturday night. It will be a time of fun and excitement with games, food, music, and fellowship. Planned games include Kubb, lodge ball, tug of war, gaga ball, and 9 square in the air.

Early registration costs $35, and will increase to $40 after August 31. A $5 discount is given to first time attendees to a Section Conclave. Registration can be done online at Section C-1B’s website.

The Ni-Sanak-Tani Lodge is working with Blue Ox Lodge to HOST the 2020 Section Conclave! This year is a great opportunity to find out what Section Conclave is all about if you’ve never been to one!!
