

Tiger Tracks—Resources for the newest Tiger Den

A Scout who is 7-years old or is in the first grade is a Tiger, and their adventures are found in the Tiger Handbook. The first-grader joins Cub Scouting with his parent or adult guardian. Tigers and their adult attend all meetings together, go on adventures like field trips together, and complete requirements together.

Like all other new Cub Scouts, a Tiger must first earn their Bobcat rank. After completing the requirements for Bobcat they may go on to complete the requirements for the Tiger rank and the many electives that are offered for his rank.
