The Gateway Area Council (Gateway Scouting) and Your Cub Scouting Adventure

Your Pack is one of nearly 50 other Packs in a 9-county region. We try to have Scouting be active anywhere you see a school.

The Gateway Area Council includes these counties: Buffalo, Crawford, Jackson, Juneau, La Crosse, Monroe, Trempealeau, Vernon and Houston County Minnesota.

One of the key resources provided to Cub Scout Packs and the community is Camp Decorah. Located between Holmen and Galesville on Hwy 53 and the Black River this is not only the location for large-scale Scouting activities but also a resource for your Pack.
