Your Donation Helps!

1 lb of yellow brass = 1 Cub Scout Advancement
8 lbs of stainless steel = 1 Pinewood Derby Car
12.5 lbs of Christmas tree lights = 1 Merit Badge
19 lbs of aluminum cans = 1 Boy Scout Handbook
89 lbs of #1 copper = 1 Week of Summer Camp
16 lbs of radiators = 1 Eagle Scout Rank kit
2,257 lbs of aluminum cans = Summer Camp Scholarships

Metal donations will help support local Scouting, Camp Decorah, and camp scholarships.

- Provide your mailing address upon metal donation to receive a receipt from the Gateway Area Council for your tax deductible donation.

“For the last 100 years the Boy Scouts of America have been green.

We have trained generations how to protect natural places through conservation and stewardship practices.

In the next 100 years, we have the opportunity to lead the world from conservation to sustainability.

The BSA is on the move to Deep Green.”
