Camp Send A Kid is a week-long camp for children of the Coulee Region who may not have the ability to attend other camps. This camp is entirely free for them and focuses on not only giving the campers a great experience outdoors, but also on meeting new friends, team work, responsibility and communication with their peers. Activities at camp are run by the La Crosse, Onalaska, and La Crosse County Police Officers, Wisconsin DNR and the US Fish and Wildlife Service, Gundersen Health and Kicking Bear, with help from the counselors at each activity.

We are looking for dedicated and fun-loving counselors to stay in site with campers and help them make lasting connections with fellow campers. Some activities you would get to help with are Sports, Swimming, Canoeing, Archery, and even Tomahawk throwing. Training, along with lodging (rustic screen cabin) and food is provided for you. If interested, or if you have questions, please email or call for more information!
